Ahmad Adel

El Beheira, EGY • **github.com/a4khalaf** • **<ah.khalafalla@gmail.com>**

Junior Backend Developer **Node** • **Express.js**

ABOUT ME

I'm Ahmad, 21 years old. I started programming a year ago. Honestly, software development is one of the few fields that caught my attention, and I'm looking forward to making a career in it.

WORK EXPERIENCE

So far I don't have previous experience in programming, but I did a project to prove my skill
[PG Media](#) Backend App using **Express** and **PostgreSQL** hosted on **Heroku**

EDUCATION

Al Azhar University • **Cairo**

SKILLS & INTERESTS

Languages: JavaScript, Express.js, React.js **(Overview)**, MongoDB, PostgreSQL **(Beginner)**

Interests: Reading, Linguistics
